

Ulster Automobile Club & Celebrate Belfast presents
THE CIRCUIT OF IRELAND

RETROSPECTIVE TRIAL '06

FRIDAY 6 TO SUNDAY 8 OCTOBER 2006

The Circuit of Ireland Retrospective Trial 2006 is for cars manufactured before 1974 and involves the competitors undertaking various tests in driving, regularity and navigation.

Some of Ireland's top autotest drivers and navigators will be taking part over the weekend using such well-known cars from yesteryear as Mini Coopers, Ford Cortina GTs, MGs, Triumph TRs and Volkswagen Beetles.

There will also be some more exotic machinery, such as a Sunbeam Alpine, a Jaguar E Type, a Lancia Fulvia and Austin Healeys.

Come along to our classic car line up on Friday 6 of October, Belfast City centre, when Donegall Place will be lined with classic cars.

A sight to behold.
